

# BRIO Z

THE STANDARD LIGHT  
TO CUSTOMISE

## FOR ALL TYPES OF POOLS

BRiO Z can be installed in any standard PAR56 recess on the market! It is fixed to the rear of the spotlight using adjustable mounting brackets for easy installation.

## COMPLETE CUSTOMISATION

With the BRiO Z complete spotlight, you've got everything you need to install LED lighting that's as close as you'll ever get. Thanks to a wide range of customisation options, you can choose a spotlight that's just like you!

## POWERFUL LIGHT

BRiO Z provides monochrome lighting of up to 4400 lm and multicolour lighting of up to 1150 lm.

# THE IDEAL LIGHT FOR RENOVATION

Replace an incandescent spotlight easily with BRiO Z. There's no need for a gasket, bulb holder or bezel - everything is included in the BRiO Z projector (Nova or Chroma model).

Reuse the existing cable and fix the spotlight to the niche using the brackets supplied. In this way, you can switch from an incandescent spotlight to an LED spotlight without any work and in just a few simple steps!

## COMPLETE CUSTOMISATION

Customisable headlamp: lighting, bezel design, material, colour

Chroma & Nova: renovation covers for liner pools

3 lighting options: cool white, warm white and RGB+W

Supplied with 3 metres of cable  
Fully waterproof rear connection
